

Every child, no matter what their background, should have access to the same opportunities.

That's why by working together we can change more peoples lives through the power of rugby.

The perfect match

Wooden Spoon's Partner Club programme offers rugby clubs at every level the opportunity to work with us to raise valuable funds for your local club and local projects supporting disabled and disadvantaged children.

Worth a try?

We support your annual fundraising by sharing our expertise and resources. We only ask your club to share some of the funds raised with local Wooden Spoon projects which support disadvantaged and disabled children. Your members and supporters will see the results of their efforts locally.

You can benefit from:

Support from a professional fundraising team with experience in events, corporate fundraising and individual giving

PR & marketing support with extensive access to national and regional media networks

Access to our network of over 10,000 rugby supporters including rugby ambassadors

Hands on support at events and with projects

"At Wooden Spoon, we believe that every child, no matter what their background, should have access to the same opportunities."

About Wooden Spoon

Wooden Spoon is the children's charity of rugby.

We fund life-changing projects across the UK and Ireland to support disadvantaged and disabled children.

Our rugby heritage has given us our core values of passion, integrity, teamwork and fun.

Working closely with the international rugby community, these values drive the ethos and spirit in everything we do.

We fund a range of projects, which are not just rugby focused. We are one of the country's largest funders of respite and medical treatment centres, sensory rooms, specialist playgrounds, sports activity areas and community based programmes in the UK and Ireland.
